**Write an online guide recommending eating places for visitors to your town in Syria :**

you are always welcome to Damascus . If you come here , you should try the Syrian food . It's delicious, you can go to " Eliza Blues restaurant" . It's in the city centre , and overlooks the river . It's a really friendly place to eat and the food is fantastic . It's famous for : Kafta , Ouzi and Kibbeh . you will never forget this friendly place.

"Best Café" is my favourite café because it's by the river and the food is tasty . Try their grilled fish or steamed vegetables . If you are not hungry , you can just relax with a coffee or a fruit juice. It's very calm . It's your first choice .

**Write a review of a book that you have read**

Last year, I read a fascinating book about Ibn Battuta's travels. Ibn Battuta is a famous traveller . He was born in Tangier – Morocco in 1304. He travelled through forty-four countries . The book includes descriptions of his travels, the cities he stayed in, local tales and sea adventures, so this is a book that everyone will enjoy! His memory of the events and places was amazing. And you will remember his stories for a long time too. This is an excellent account of an amazing lifetime of travelling.
