### A- Read the following text then do the tasks below:

A king wanted his kingdom to be famous for making new scientific discoveries. So he sent his servants out to faraway towns and cities to look for the best scientist possible. They found the most respected scientists in the kingdom each one an **expert**. The king welcomed them to his palace. The king said that the top scientist should be imaginative, decisive and **courageous**. Then the king looked at all the scientists and said, 'You have to prove that you are the right person for the job. The person who does this will work in a **fabulous** laboratory, with all the books, equipment and riches.

A woman was walking to a stadium in Munich, Germany, to watch a match during the last World Cup Football tournament. She was standing outside the stadium, when a thief saw the ticket in her bag. He stole the ticket and went into the stadium instead of the woman. But he didn't realise that he was sitting next to the woman's husband! The woman's husband immediately called a security guard when he saw someone else sitting in his wife's place. Soon, the thief was sitting somewhere else .... in a police station.
