إعادة تدوير الورق ليس كقوة الورق المصنوع من عجينة الورق

38.

**Everything was going very well until they came up against an unexpected problem. (8)**

(50)

Damascus is the oldest capital city in the world and it is full of tourist attractions. However, the number of tourists is low because many tourists know nothing about it. I recommend that our government should encourage tourism through advertisements on TV, newspapers and magazines. I also suggest that the ministry of tourism should issue guides, posters and calendars about the most beautiful sites in the city. I hope these recommendations will increase the number of tourists in my city.
