

**1- Write instructions on how to make tea.( Activity Book / page 41 )**

First, put some water in the teapot. Then, put the pot on the fire until it boils. Next, take the pot off the fire and put some tea in it. After that, wait for some time and pour the tea in a glass. Finally, put some sugar in the tea

**2- Compare between two or more activities . ( Activity Book / page 45 )**

I think watching TV is very interesting. However, when you watch TV you will get tired and your sight will become weaker. Watching TV makes us feel nervous. On the other hand, playing chess is much useful than watching TV. It helps you to think hard. I prefer playing chess to watching TV.

**3- Write instructions for a game . ( Activity Book / page 47 )**

Tennis is a racket sport, which is played against a single opponent or between two teams of two players each. Each player uses a tennis racket. The object of the game is to throw the ball in a way that the opponent is not able to return it. The player who is unable to return the ball will not gain a point, while the opposite player will.

**4- Compare between group activities and solo activities. ( Progress Test / Activity Book / page 47 )**

There two kind of activities: group activities and solo activities. Group activities such as football and camping are fun and exciting. Meanwhile, solo activities like reading, cooking and painting are also fun and enjoyable. In my opinion, group activities are better because they make us interact with people more.

**5- Write a paragraph about a job you would like to do. Include: ( a short job description •skills and qualities you need • rewards ) ( Students' Book / page 77 )**

I would like to be a firefighter. It is a tiring and dangerous job. I put out fires nearly every day. I need to wear fireproof clothing and a steel hat. It is a hard, dirty work and I have to be quick and safe. It is satisfying to deal with a huge fire and being able to put it out.

**6- Write a paragraph about a job.( place of work – uniform – requirements – abilities – study – hours of work – career prospects ) ( Activity Book / page 51 )**

A teacher usually works in a school. It is not necessary for a teacher to wear a certain uniform. It is important for the teacher to be patient, active and good at working with things we use every day. Teaching is very tiring and needs at least six hours a day. In order to become a teacher you have to study and get a university degree.

**7- You are a merchant in the year 1000 CE going from your hometown to China on the Silk Road. Write a diary for a day on your journey. ( Students' Book / page 83)**

It was a hard day today. I woke up in the early morning, packed my goods and set off in a caravan. The weather was very hot and we drank a lot of water until there isn't a drop of water in our bottles. Luckily, we found an oasis. We rested, drank, washed our bodies, filled our bottles and then continued our trip. Finally, we arrived at our destination and traded our goods successfully.

**8- Write about the importance of jobs in emergency services. ( Activity Book / page 47 )**

When we talk about the emergency services, we are of course referring to the police, fire and ambulance services. However, and because of the new pandemic, we must mention the doctors and the nurses in the emergency rooms. They play a major role in saving lives. They have to be ready, vigilant and well trained. They are the new defenders of humanity.

**9- Write a paragraph about what makes you feel happy. ( Students' Book / page 91 )**

Many things make me happy. I enjoy jogging. I like it because it is interesting and it helps me keep fit. Getting good marks at school makes me happy. I feel happy when I meet my friends and talk to them, I laugh a lot when I watch comedy films.

**10- Write a composition about what you enjoy doing most. ( Activity Book / page 61 )**

I enjoy reading a lot. I read many different kinds of books – fiction, biographies and stories. I have always enjoyed reading because I find it relaxing and stimulating. I have started reading since I was a child. Nowadays, I read during the holidays. I feel very happy when I read an interesting book.

**11- Write a description of someone who is special to you. ( Activity Book / page 67 )**

My uncle Ali is very kind and funny. He is tall and plump. He has short black hair and brown eyes. He is friendly, outgoing and helpful. He likes meeting new people. He is a lawyer. He likes playing football and his favourite football team is Liverpool. I love him because he treats me as a friend.

**12- Write a paragraph about your favourite summer holiday activities. ( Progress Test / Activity Book / page 67 )**

Every summer, my family and I spend two weeks by the sea. There are many fun activities to do there. I like fishing with my father, which is fun and exciting. In the afternoons, I usually play volleyball on the sand with my brothers. In the evenings we sit by the fire and tell stories.
