Life in the future will be very different.

Futurologists predict that life will probably be very different in all the fields of activity. I think that in the future we'll have more comfortable life. This will be obvious in all aspects of life. As for education, e-books will **replace** traditional books, robots will replace teachers and students won't have to go to schools every day as they will study at home through online teaching. On the other hand, health will improve a swell. New medicines will help people get better and scientists and researchers are going to find cure to many diseases like Aids and Cancer. So people will live longer.

Choose the right answer (a,b, or c) to complete the following: (50 marks)
